

CREATE YOUR OWN GLASS WING BUTTERFLY RING

Materials: plastic film (thick enough to hold its shape, but thin enough to fold. Opaque butterflies can be made with paper), scissors, permanent markers, pipe cleaner or twist tie (string can be used to make suspended butterflies).

1. TRACE A BUTTERFLY

2. CUT IT OUT

3. COLOR IT

4. FORM BASE OF RING

5. FOLD THE BUTTERFLY IN THIRDS & PINCH

6. SET THE FOLDED BUTTERFLY BETWEEN THE OPEN ENDS OF THE BASE & FOLD AT TOP TO CREATE ANTENNAE

7. HAVE FUN WITH YOUR NEW BUTTERFLY!
